

2021 PA Riflemen's Weekend

Registration is now being accepted for the 2021 Pennsylvania Riflemen's Weekend. As always the match will be held on Labor Day weekend, September 3rd, 4th, and 5th 2021, with Long Range on Friday, the Mid Range match on Saturday, and Across-the-Course on Sunday, leaving you Monday free to sleep in and recover! The Ultimate Rifleman award will be presented to the shooter with the highest 3-day aggregate. A meal will be provided on the range each day after the match.

There is one big change this year. All three of the matches are being sanctioned through the CMP, and they will be our CMP State Championships. Please read through the match program for more information.

The Riflemen's Weekend is a match that gives you the chance to use all your rifle-shooting skills in the same weekend. It combines good, friendly competition, nice prizes, and great food (and we always do our best to give excellent weather conditions, too!) Please register early to make sure you have a firing point reserved!

The registration form can be found at the end of the match program. Please fill it out and return it, either by mail or email. Questions and registrations should be sent to:
